

Lenovo 100w Gen 3 (AMD)

From researching and writing, to annotating documents and collaborating virtually, this 11.6" laptop is ideal for on-the-move professionals. Powered by the latest AMD 3015e processor while built on the user-friendly Windows 10 platform, it enables learning anytime, anywhere. Multiple ports, including USB-3.2, USB-C and HDMI, allow users to easily connect to legacy peripherals, or plug-in headphones for listening to videos or attending meetings.

Redefining possibilities with powerful performance and groundbreaking on-device AI

Whether you're crunching numbers, analyzing market trends, or collaborating on presentations, these laptops, equipped with the latest-generation processors and ample memory, ensure unparalleled efficiency and reliability.

The 720p HD front-facing camera lets users engage in collaborative sessions even when connecting from home. Plus, the device's new Wi-Fi 6 capability coupled with Microsoft Teams integration enables virtual face-to-face interactions between colleagues and group members easily.

Thanks to its drop-resistant design and reinforced ports and hinges, the laptop can withstand most bumps, drops and spills, making it ideal for life on-the-go.

With its dual-core AMD 3000 mobile processor and fast eMMC or SSD storage, users can rely on this notebook to handle extensive multitasking of web-based applications and popular software titles.
