

# Lenovo 13w Yoga

This flexible convertible with a 360° hinge is an ideal work companion for mobile professionals. Use it in the laptop, tent, or stand mode for 1:1 presentations inside or outside the office; convert it into a tablet for reading or writing on-the-go. The security features include an optional fingerprint reader for user authentication, a camera privacy shutter for protecting user privacy, and discrete TPM for data encryption.

Scroll through documents with the touch of a fingertip without worrying about scratches, thanks to the multi-touch display with anti-fingerprint technology. Take notes, doodle, or write down ideas whenever they strike with an optional onboard digital pen.

With a battery that lasts up to 12 hours, it enables users to work an entire day outdoors, whether traveling for work or visiting project sites.

Enhanced web conferencing with 1080p webcam and dual array microphones (both on select models) and 2x 2W speakers with Dolby Audio Premium.

## Built for business with cutting-edge technology

Lenovo Tab Series is crafted for mobile workers seeking astonishing performance, an incredible display, and seamless wireless connectivity in a lightweight tablet tailored for basic productivity tasks.

# Lenovo Services

Lenovo delivers tailored sustainability services, devices, and infrastructure solutions from our broad portfolio, working closely with you to support your target outcomes across the IT lifecycle..
