

Lenovo 14e Chromebook Gen 2

Thinner, lighter, more durable, and packed with new features ranging from more ports to Wi-Fi 6 capability to up to 16 hours of battery life, this Chromebook is powerful and versatile enough to meet every user's need, whether you're a tech-savvy sales exec or a young freelance writer just starting your journey. It is built on the popular Chrome platform and features the latest AMD® processor that can handle day-to-day tasks with ease.

Redefining possibilities with powerful performance and groundbreaking on-device AI

Lenovo 14 Series ultraportables are ideal for buyers seeking lightweight full-size notebooks on a budget.

Wi-Fi 6 enables a fast, reliable connection for downloads, uploads, and streaming for users. Plus, it delivers plenty of ports to make it a breeze for users to connect projectors and smart boards in the office or external monitors and headphones at home.

It features a sleek, lightweight design that makes it easy to carry around, as well as an improved water-resistant (now, up to 360 ml) keyboard, reinforced ports, and improved mechanically-anchored keys.
