

ThinkCentre M80q Gen 4

New-gen professionals will love the tiny PC packed with powerful performance-boosting features, including up to 13th Gen Intel i9 processor with up to 32 cores – which means users can work on multiple applications and experience superior computing speed every time. Up to 3 storage drives – 1x 2.5" HDD up to 1TB and 2x M.2 SSD up to 2TB each – make it a silent, fast-performing device with more storage capacity.

Rugged compact performance primed for business

ThinkCentre M8 Series Tiny desktops deliver significant business performance with impressive processing power and platform stability. They are both durable and energy-efficient, requiring minimal space.

MIL-STD-810H tested means a durable and resilient device against accidental drops or spills. A ENERGY STAR 8.0 certified energy-conscious device with optional EPEAT Silver. Opt for the TÜV Rheinland Ultra Low Noise feature to make it a noiseless device.

This tiny form factor comes with ample front and rear ports, which include up to 7 USB ports, HDMI, and 1x DisplayPort port; it supports up to 4 independent displays via the onboard ports.

With dimension starting from 179 x 182.9 x 36.5 mm, this tiny desktop fits into a relatively small space.

Lenovo Services

Lenovo delivers tailored sustainability services, devices, and infrastructure solutions from our broad portfolio, working closely with you to support your target outcomes across the IT lifecycle..

Return To Depot Repair Warranty

- No-hassle repair process at a Lenovo service center
