

ThinkPad T490 Healthcare Edition

User authentication technologies include a US federal-approved FIPS-201 fingerprint reader, an integrated RFID/NFC reader so users can login with an employee badge, and an optional infra-red camera.

Integrated HD webcam, Dolby® Audio™ Premium and far-field noise-cancelling microphones combine for telemedicine, dictation or consultation support.

The laptop by which all others are measured; this classic ThinkPad is modernized with the latest technologies and lightened with advanced materials.

Built for business with cutting-edge technology

The ultimate productivity notebook, ThinkPad T Series will keep users productive all day with long battery life, docking and enhanced connectivity options, security and manageability features.
