

ThinkPad L13 Gen 4 (AMD)

Weighing 1.26 kg, this lightweight device powered by up to AMD Ryzen 7 Pro processor lets business professionals work on web-based applications and software faster. It has a battery life of up to 15.16 hours, enabling mobile workers to work from anywhere without hassle. Security features including a privacy shutter protect user privacy, while a discreet TPM 2.0 chipset and Kensington nano security keep data safe.

Configured with up to 1TB SSD and up to 32GB DDR4 memory, this enterprise-grade device gives business professionals power and performance, thus helping them with faster retrieval of project files and memory-intensive spreadsheets.

Multimedia features include Dolby Audio dual 2W stereo speakers and dual-array microphones that help mobile professionals to have calls or meetings on the go without any hassle.

With the latest AMD processors and fast SSD storage technology, users can rely on this notebook to handle extensive multitasking of web-based applications and popular software titles.

Built for business with cutting-edge technology

The mid-range ThinkPad L Series offers enterprise docking, enhanced security features and optional remote management capabilities.
