

# Lenovo V530-24ICB AIO

This sleek all-in-one has an ultra-slim frame around the screen, and a distinctive rotatable webcam. 23.8" Full HD display with low blue light output, reduces eyestrain associated with long-hour use. Optional security features, and configurable storage and processor options, make this a great device for a range of users.

The optional Intel Optane™ memory knows which files and programs are opened most frequently and accelerates them. Large files and commonly-used applications will now be ready for use more quickly.

This PC is ultra-quiet; it emits less than 22dB in idle mode and no more than 25dB in operating mode.

Optimized to reduce power consumption, with Energy Star® and EPEAT® Silver energy efficiency certifications.

## Rugged compact performance primed for business

Stylish, space-saving and packed with productivity features, Lenovo V Series All-in-Ones include rotating webcams, adjustable stands and non-reflective screens.

## Lenovo services

Lenovo delivers tailored sustainability services, devices, and infrastructure solutions from our broad portfolio, working closely with you to support your target outcomes across the IT lifecycle..

### Premier Support

- Talk directly with advanced technical support agents
- Support for software & hardware
- Next business day onsite repairs

## Accessories

### Lenovo Desktop Privacy Filter from 3M

- Patented microlouver technology darkens the screen at specific angles to protect against visual hackers
- Available in a range of sizes. Includes adhesive strips for easy residue-free removal and multiple on-and-off uses
- Reduces glare from bright computer screens and overhead lights

PN: For 21.5" displays : 4XJ0Q68426 For 23.8" displays : 4XJ0Q68427

### Lenovo Kensington MicroSaver Cable Lock

- Cut-resistant cable lock to protect against device theft; 5ft/1.5m cable anchors to desk, table or any fixed structure
- Tamper-resistant, disk-style lock provides near-impenetrable theft protection, but still allows users to pivot and rotate devices
- Fits a wide range of devices and docking solutions based on the Kensington slot design. Dual head locks available to secure 2 devices to one cable
