Innovation

Smarter technology for all

We use our innovation, end-to-end expertise, and global scale, reach, & channel partnerships to deliver smarter solutions that drive better outcomes'

We empower businesses to transform with purpose

Pioneer and enabler of intelligent transformation with a history of first-to market innovations and a commitment to doubling R&D in the near-term with further US\$1 billion Investment in AI over the next 3 years.

We lead and act globally, and partner locally

Our 35 factories in 180 markets give us a global reach to more than one billion customers, while our channel-centric approach and expansive network of trusted partners provide local expertise and support.

We enable our customers from pocket to cloud

Lenovo is the only global technology provider with an integrated, open choice ecosystem of devices and solutions from the phone in their pocket to the hybrid cloud powering their enterprise.

We deliver solutions that drive better outcomes

Combining hardware, software, infrastructure, and solutions, Lenovo TruScale gives you single-source convenience for all your technology needs— with the simplicity and scalability of a flexible, pay-as-you-go model - anywhere in the world.

Workstations

These powerful client computing solutions combine advanced graphics, server-grade processors and multi-drive storage arrays with patented cooling and diagnostic features. With built-in tools to optimize performance for a range of professional software applications, our extensive portfolio includes ultramobile laptops, micro-desktops and the largest multi-processor desktop solutions.

Desktop Workstations

Each workstation is built for future expansion and is tested to exceed the requirements of the most demanding software applications.

Mobile Workstations

Designed for power users working and travelling, these devices are optimized for a range of software titles, with professional-grade graphics and processors.

ThinkPad P1 Series

ThinkStation P7 Series

ThinkPad P7 Series

1 x Audio Out (3.5 mm)

Mechanical

Tilt Angle (Front / Back)
-5°/22°
Lift Range
135 mm
VESA Mount Capability
Yes (100 x 100 mm)
Kensington Lock Slot
Yes
Cable Management Yes

Special Features

Immersive, high-performance gaming.

Its 34-inch WQHD (3440 x 1440) resolution screen with 21:9 aspect ratio and 1500R curvature renders clear and sharp imagery that fills every part of your peripheral vision to readily draw you into the battlefield. Enjoy vivid gaming scenes with the VA panel's 124% sRGB color area ratio that delivers outstanding color accuracy.

Strike fast.

Its overclock refresh rate of 170Hz can effectively eliminate stuttering and ghosting in high action scenes. AMD FreeSync™ Premium ensures a dynamic refresh rate for a smooth and seamless gaming experience. Its 0.5ms MPRT response time gives you a competitive edge with the ability to catch and respond to every moment swiftly.

Optimized comfort for higher performance.

Its two built-in 3W speakers are finely tuned to enhance BGM, gunshots, or the roars of racing cars. Connect a gaming PC, console, and all your essential devices via HDMI 2.0, DP 1.4, and an audio out to take your performance to the next level.
